GUARDECK™
PRESTIGE

Our **NEW** composite decking brings beauty, style and simplicity to your deck.

Exceptional color retention, stain resistance and very little maintenance make Prestige ideal for the most discerning homeowner.

Subtle hues and earth tone colors combine with superior strength and durability for unparalleled performance.

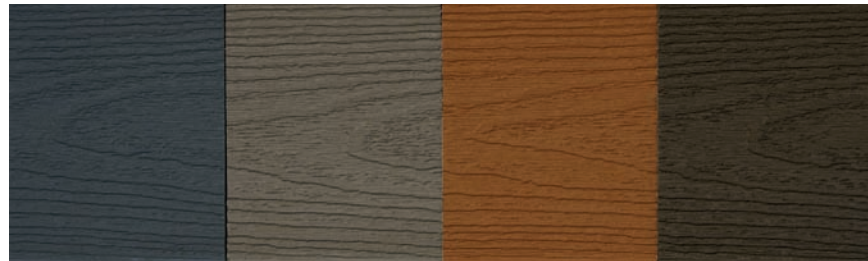

Available Colors:

Pewter

Weathered Wood

Cedar

Walnut

Relax

Thanks to Guardecks™ automotive background, it was simple to use automotive trim technology to create the color retention properties, scratch resistance and durability found in the Prestige line.
